Important information

Late payment fee
The late payment fee for consumer wireless bills not paid in full by the payment due date is up to $8.00.

Electronic check conversion
Paying by check authorizes AT&T to use the information from your check to make a one-time electronic fund transfer from your account. Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to $30. Returned checks may be presented electronically.

Company fees & surcharges
AT&T imposes additional monthly fees on a per line basis, including:

- An Administrative & Regulatory Cost Recovery Fee charged to help AT&T recover: (a) certain expenses AT&T incurs, including, but not limited to, charges AT&T or its agents pay to interconnect with other providers to exchange communications between AT&T customers and their customers and charges associated with cell site rents and maintenance; and (b) payment of certain government fees imposed on AT&T and costs of compliance with government-imposed regulatory requirements.
- Federal/State Universal Service Fees to help AT&T recover mandatory contributions it makes to federal and state universal service funds.
- State/Local Cost Recovery Fees to help AT&T recover taxes and required payments levied on AT&T by states and local governments.

These fees are not taxes or charges that the government requires AT&T to collect from its customers. The amounts we charge may change. See att.com/mobilityfees for details.

California surcharge
