Payments to this Bank of America Card/Small Business Loan account will not appear on your Online Banking Card Account Details immediately, but you'll receive credit for payments as of the date they're submitted if scheduled for that day before 11:59 p.m. ET. Any associated fees and interest will be adjusted.

Please note that we may adjust your credit card payment to prevent payment of a disputed charge amount or to an account that is closed with a zero balance. Payments in process prior to account closure may still be made.

To avoid late fees and additional interest charges, please make sure your payment covers at least your Total Minimum Payment Due and is made by the due date. Payments made after your due date, but before the receipt of your next bill, will be applied to your current bill.
