CONSERVATION TIPS

Install water saver devices

A faucet drip can waste anywhere between 2,100 gallons to 24,000 gallons in six months

Don't leave the water running when you are brushing your teeth, shaving, or doing dishes.

SEASONAL TURN OFFS & ONS

Requests for turning off, or turning on the water shall be made five (5) working days in advance except in case of emergency. A charge will be made for each service. Access to the meter must be provided and shall be done during normal working hours.

The C-O-MM Water Department reserves the right to change any charges or fees.
